

Westgrove PACK Board Meeting Minutes 6/30/22

Open 7pm

Present: Melissa, Jeff, Jan, Scott, Yvonne

Apologies: Mike, Liz, Megan

Welcome

Treasurer Report: Current balance \$11254.77 There are sufficient funds to complete the budget for the year, with a little leftover.

Old Business:

Signs – New signage is installed and looks good. ‘ Thank you’ Liz for the work on signage.

Hot Dog Friday Night (HDFN) Sponsorship: we have obtained sponsorship from Fetch for the season of HDFN. Cost was \$1000 and they are also providing some volunteer help. Advertisements are on signage at the park and also on our website and Facebook page.

Port-a-potty: Potty in place. Signage regarding payment/donation for use options going up next week.

Water Fountains: The North End is fixed. The South End will be fixed when parts are received which will reduce the water pressure believed to be the issue.

Caretaker Saturday: Orange cones and signage displayed advising the cones were placed where poop had not been picked up. Melissa advised that some folk took notice but a number did not and dogs tended to play with, and some destroy, the cones. This will be tried again without placing the cones around the park.

New Business:

Terms are up in October 2022 – Chair, Secretary, Treasurer, Fundraising officer and an At Large position.

Next Meeting: July 28 7pm (Note: always the last Thursday of the month)

Closed 7:30pm
